Required Posting For Day & Temporary Labor Service Agencies

The Day and Temporary Labor Services Act (820 ILCS 175/1 et seq) provides for the regulation of day and temporary labor agencies, establishes worker rights and protections, specifies the duties and responsibilities of day and temporary labor agencies and third party clients, sets forth penalties and enforcement procedures for violations of the law and requires third party clients that contract with day or temporary labor agencies to verify that they are registered with the Department of Labor or face monetary penalties. The following is a summary of the law, however the Act contains additional information that may affect individual cases or claims. For more information on this Act and other laws we enforce, please visit our website at: www2.illinois.gov/IDOL/Pages

Required Notices to Employees

Every agency must post in the public access area of each work location or branch office a notice provided by the Department of Labor summarizing the provisions of this Act, along with the toll-free number for reporting violations and complaints. This notice shall be in English or any other language generally understood in the locale of the agency. Agencies must also post in public access areas any other state or federally mandated postings.

Day and temporary labor service agencies must provide workers with an employment notice at the time of dispatch, describing the terms and conditions of their employment, including the nature of work to be performed, the wages to be paid, the name, address and location of where the work will be performed, terms of transportation and whether meals or equipment will be provided and any costs associated with such meals and equipment.

Day and temporary labor service agencies must also provide each worker with a wage notice at the time of payment that includes the name address and telephone number of each third party client for whom work was performed; the number of hours worked by the laborer at each third party client each day during the pay period; the rate of pay for all hours worked, including any premium or bonus pay; total earnings during the pay period; and all deductions made for meals, equipment, income tax and social security withholdings and any other deductions.

For workers contracted to work a single day, third party clients must provide workers with a work verification form at the end of the work day that contains the date, worker's name, work location and hours worked that day.

A worker who is sent by the agency to a third party client, but is then not utilized by that client must be paid a minimum of four hours of pay at the agreed upon rate by the day and temporary labor agency. However, if that worker is given work during the same shift at another location, he or she shall be paid for two hours of pay at the agreed upon rate of pay (in addition to the pay for hours worked during that shift).

Wages and Deductions

The wages paid to day laborers must be in compliance with all state and federal laws, including minimum wage and overtime laws and the total amount deducted for meals and equipment may not cause a worker's hourly wage to fall below the state or federal minimum wage. Agencies cannot make deductions from a worker's paycheck unless the worker approves the deductions in writing on a form approved by the Department and agencies may not charge workers for cashing paychecks issued by their agency.

Recordkeeping Requirements

Day and temporary labor service agencies must keep and maintain for a period of three years detailed records relating to every day laborer's work and these records must be open to inspection by the Department of Labor during normal business hours. In addition, records relating to an individual worker and any hours billed to third party clients for his or her labor must be available for review or copying by the worker within 5 days following a written request.

Transportation

Day and temporary labor agencies, third party clients (and their contractors or agents) are prohibited from charging workers for transportation between the agency and the designated worksite. Agencies, third party clients (and their contractors or agents) are responsible for the conduct and performance of persons providing transportation and drivers must have a valid and appropriate motor vehicle license, proof of financial responsibility as well as seats and safety belts for every passenger. Any violations of these requirements discovered by the Department shall be forwarded to appropriate law enforcement or regulatory agencies.

Placement Fee Restrictions

Day and temporary labor agencies cannot restrict the right of a laborer to accept a permanent position with a third party client to whom they have been referred for work. They also cannot restrict the right of third party clients to offer employment to a day and temporary laborer, however day and temporary labor agencies may charge limited placement fees to third party clients who offer employment to day laborers.

Worker Retaliation Prohibited/Private Right of Action

Day and temporary labor agencies and third party clients are prohibited from retaliating against workers for exercising their rights, including making a complaint, testifying or participating in an investigation under this Act. Any retaliation taken against a worker in violation of this Act shall be subject to civil penalties or a private cause of action. In addition to administrative remedies available through the Illinois Department of Labor, a person aggrieved by any violation of this Act may file suit in Illinois circuit court.

Illinois Department of Employment Security

NOTICE to workers about Unemployment Insurance Benefits

THE POSTING OF THIS NOTICE IS REQUIRED BY THE ILLINOIS UNEMPLOYMENT INSURANCE ACT.

FILING A CLAIM

The Illinois Unemployment Insurance Act provides for the payment of benefits to eligible unemployed workers and for the collection of employer contributions from liable employers. It is designed to provide living expenses while new employment is sought. Claims should be filed as soon as possible after separation from employment. Claims can be filed online at www.ides.illinois.gov or at the nearest Illinois Department of Employment Security office to the worker's home. To be eligible for benefits, an unemployed individual must be available for work, able to work and actively seeking work and, in addition, must not be disqualified under any provisions of the Illinois Unemployment Insurance Act.

Each employer shall deliver the pamphlet "What Every Worker Should Know About Unemployment Insurance" to each worker separated from employment for an expected duration of seven or more days. The pamphlet shall be delivered to the worker at the time of separation or, if delivery is impracticable, mailed within five days after the date of the separation to the worker's last known address. Pamphlets shall be supplied by the Illinois Department of Employment Security to each employer without cost.

A claimant may also be entitled to receive, in addition to the weekly benefit amount, an allowance for a non-working spouse or a dependent child or children. The allowance is a percentage of the average weekly wage of the claimant in his or her base period. The weekly benefit amount plus any allowance for a dependent make up the total amount payable.

If, during a calendar week an employee does not work full-time because of lack of work, he or she may be eligible for partial benefits if the wages earned in such calendar week are less than his or her weekly benefit amount. For any such week, employers should provide employees with a statement of "low earnings" which should be taken to their Illinois Department of Employment Security office.

NOTE: Illinois unemployment insurance benefits are paid from a trust fund to which only employers contribute. No deductions may be made from the wages of workers for this purpose.

Unemployment insurance information is available from any Illinois Department of Employment Security office. To locate the office nearest you, call 1-800-244-5631 or access the locations through our website at www.ides.illinois.gov.

BENEFITS

Every claimant who files a new claim for unemployment insurance benefits must serve an unpaid waiting week for which he has filed and is otherwise eligible.

The claimant's weekly benefit amount is usually a percentage of the worker's average weekly wage. The worker's average weekly wage is computed by dividing the wages paid during the two highest quarters of the base period by 26. The maximum weekly benefit amount is a percentage of the statewide average weekly wage. The minimum weekly benefit amount is \$51. The statewide average weekly wage is calculated each year.

If Your Benefit Year Begins:

Your Base Period Will Be:

This year between:

Last year between:

Jan. 1 and March 31

Jan. 1 and Sept. 30 and the year before between Oct. 1 and Dec. 31

This year between:

Last year between:

April 1 and June 30

Jan. 1 and Dec. 31

This year between:

Last year between:

July 1 and Sept. 30

This year between:

Last year between:

Oct. 1 and Dec. 31

July 1 and Dec. 31 and this year between Jan. 1 and June 30

In order to be monetarily eligible, a claimant must be paid a minimum of \$1,600 during the base period with at least \$440 of that amount being paid outside the highest calendar quarter.

If you have been awarded temporary total disability benefits under a workers' compensation act or other similar acts, or if you only have worked within the last few months, your base period may be determined differently. Contact your local IDES office for more information.

REPORTING TIPS

Each employee who receives tips must report these tips to employers on a written statement or on Form UC-51, "Employee's Report of Tips," in duplicate. Employers can furnish this form on request. The report shall be submitted on the day the wages are paid, or not later than the next payday, and shall include the amount of tips received during the pay period.

TAXATION OF BENEFITS

Unemployment insurance benefits are taxable if you are required to file a state or federal income tax return. You may choose to have federal and/or Illinois state income tax withheld from your weekly benefits. Since benefits are not subject to mandatory income tax withholding, if you do not choose to withhold, you may be required to make estimated tax payments using Internal Revenue Service Form 1040 ES and Illinois Department of Revenue Form IL 1040 ES.
