

Grain and Feed Association of Illinois Convention Sponsorship Form

February 18 - 20, 2018 - Peoria

In 2018, GFAI will hold a very special 125th Annual Convention and Trade Show, where more than 800 participants from across the U.S. will gather to reconnect, and share information, ideas, products and services. This event will feature special activities to commemorate this milestone year and an event sponsorship is a great way to present your business to a very specific audience, gaining exposure and recognition through additional advertising.

The sponsorship levels that are offered here will be applied throughout the entire Convention so your company will receive acknowledgement of your generosity at not just one event - but all of them! If you have questions, please contact Jodie Brooks at jbrooks@gfai.org or call (217) 787-2417.
